COMMANDER'S CORNER

If this is your first time picking up this magazine I want to extend a warm welcome and a thank you for being a member of this amazing community. Summer is the season of changes and your Force Support Squadron is hard at work making changes to better serve our community.

The **81st FSS Force Development Flight** would like to invite everyone to checkout our programs. We offer a variety of opportunities at every level of education. Military members and civilians can take advantage of personal and career development courses offered through **Dragon University**. For those interested in advanced degrees, visit our Education Office to get acquainted with partnered universities or test out by taking career tests.

The **Blake Fitness Center** is officially closed while we work to make improvements to better serve you in the long run. The **Dragon Fitness Center** is now open (with a minor project still ongoing) and we cannot wait to serve you there. We are working hard to ensure we can meet all your fitness needs including 24/7 access for all personnel and adding a parent/child workout area in the coming months.

We always have something going on here on Keesler. Stop in and check out all our offerings at **Information, Tickets & Travel** located at The Exchange. Grab tickets to the local Biloxi Shuckers game or book a trip with our fantastic travel agents. Tap into your creative side at our **Arts & Crafts Center**. From pottery classes to painting to cooking, they have something for everyone. Check out our beautiful **Bay Breeze Golf Course** and learn how to play with our Golf 101 clinic.

Finally, **Texas Hold'em Poker** is BACK! Mark your calendars for Friday, Aug 9 from 5 to 9 pm at the BBEC. Food and beverages will be available for purchase and AF Club members receive an extra \$500 in chips.

You can learn more about everything offered on the installation by exploring this magazine or checking out our webpage - discoverkeesler.com. You can also check us out on Facebook @**81st Force Support Squadron**.

Have a great month, Team Keesler!
